

2007 General Meeting American Society of Sugar Beet Technologists Salt Lake City, UT

Dear ASSBT Members and Interested Persons:

It is hard to believe our 33rd General Meeting was held over a year and a half ago. Now our next meeting is fast approaching. The Program Committee has done an excellent job of organizing the outstanding program.

The venue for this 2007 Meeting is the Little America Hotel in Salt Lake City, UT. Salt Lake City is a wonderful city with many attractions. Although the weather will not be the warm climates that we have had in the past, it will be fun to experience winter during this meeting. There are ski venues within an hours drive from Salt Lake City. The hotel is situated very near to downtown Salt Lake City.

Enclosed you will find information concerning the 2007 Meeting.

The first is a schedule of the meeting. The detailed program can be found on our website, www.bsdf-assbt.org, along with other information concerning the upcoming meeting.

Meeting Registration

Second, is the Registration Form. This can be filled out and faxed back to the office, if paying by credit card, or mailed if paying by check. Please be sure to include your membership dues. These dues are the only source of income for the ASSBT, and help us supply services to you, our members. Descriptions of the memberships can be found on the website, www.bsdf-assbt.org. Please note that the cut off for pre-registration is **February 2, 2007**. Registrations received after this date and those registering at the meeting will be charged the higher fee. **We ask that you register your accompanying person; this registration helps cover the cost of social functions at the meeting.** As usual, the Awards Banquet is optional; however, I encourage you to attend, not only to honor the award recipients, but also to enjoy the evening with your ASSBT friends. Also, don't forget to order your Proceedings. They will contain either full papers or expanded abstracts of all the papers.
