Mr. Campbell has been a member of the Society since 1942, served two terms as a member of the Advisory Council, served once as a member and once as chairman of the Awards Committee and most recently as a Resolutions and Bylaws Committee member. From his birthplace in New Mexico the Campbell family moved to a farm near Rocky Ford, Colorado. Following graduation from Rocky Ford High School in 1931 he attended Colorado State Agricultural and Mechanical College (now CSU) where a Bachelor of Science degree was earned in 1935. Two years later he was employed by Holly Sugar Corporation as a fieldman at Hamilton City, California. In 1940 he was sent to Salem, Oregon to assist in the expanding Northwest sugarbeet seed enterprise. The following year he was employed by the West Coast Beet Seed Company as a fieldman in the southern Oregon and northern California seed areas. He was promoted to his present position as manager of the company in 1942. The success of the sugarbeet seed industry in the Northwest is largely dependent upon his tireless efforts and dedication. Sam is a member of the Salem Chamber of Commerce, has been active in the Boy Scouts of America, has served his church as a vestryman and presently as its treasurer.
Dr. Doxtator has been a member of the ASSBT since its beginning. As a member of the Sugar Beet Round Table, the ASSBT's predecessor, he served as a member of the Committee on Standardization of Experimental Methods. At the first general meeting of the Society in 1938 he was appointed chairman of the same committee and repeated as chairman during the second biennium. He was elected to three terms of office as a member of the Advisory Council and served one appointment to the Nominating Committee. Dr. Doxtator was born in Canada and received his grade and high school education in southern Manitoba. He received a B.S. degree in Agriculture from the University of Manitoba in 1928, graduating with honors. He was accepted into the University of Minnesota graduate school in 1929 where he studied genetics, plant pathology and biochemistry. He was awarded the M.S. degree in 1931 and the Doctor of Philosophy degree in 1936. During his graduate studies he was a research instructor and taught genetics and plant breeding to graduate students. He started his employment with American Crystal Sugar Company in 1936 as plant breeder and presently serves his company as a consultant in plant breeding. His publications on sugarbeets are many, starting in 1937. "Dox" was elected to Sigma Xi, Gamma Sigma Delta and Gamma Alpha scientific societies.
Mr. Elcock has been a member of the Society since its beginning and was a member of the ASSBT's predecessor, the Sugar Beet Round Table. The 10-page report of the First Annual Sugar Beet Round Table says "Elcock reported on ... The Sugar Beet Seed Industry ... Demonstrated by a Series of Lantern Slides." Since that time he has served on the Advisory Council four terms, was Chairman of the Sugar Beet Machinery Section, served on the Local Arrangements Committee, Nominating Committee, Awards Committee and the Constitutions and Bylaws Committee. Mr. Elcock was born in California, received his B.S. degree from Washington State College in 1926 and earned a M.S. degree from Michigan State College in 1928. Following an appointment as Associate Professor in Bacteriology at South Dakota State College in 1928-29, he became Assistant Pathologist, USDA Sugar Plant Division at Las Cruces, New Mexico. In 1932 he joined the Beet Seed Committee which was the first industry venture in beet seed production. Between 1935-37 he was the first manager and vice president of the Western Seed Production Corporation. His employment with Amalgamated Sugar Company began in 1937 as Idaho District Manager and presently is Vice President of Agriculture. Harry has served on several industry committees and authored numerous technical articles.
Meritorious Service Award Presented to LLOYD T. JENSEN

Mr. Jensen has been a member of the Society since 1954, and has been elected a Director, Vice President and President. He was appointed to the Awards Committee and served as Chairman of the Nominating Committee. Mr. Jensen was born in Longmont, Colorado and received a B.S. degree from the University of Colorado in Chemical Engineering. After graduation, he worked for The Great Western Sugar Company at Scottsbluff and later at Billings, Lovell and in the company's engineering department. In 1947, he became Superintendent at Gering, District Superintendent in Denver in 1949 and Vice President and General Superintendent in 1957. He was appointed Director and Vice President - Operations in 1967 and was advanced to Executive Vice President and General Manager in 1969.* He also serves as a director and officer in the Northern Ohio Sugar Company, Great Western Railway Company, Bighorn Limestone Company and the Northland Research Company. Lloyd has been Vice President and Director of the Beet Sugar Development Foundation, a Director of Sugar Industry Technicians, Past Chairman of National Technical Task Committee on Industrial Wastes, member of the Industrial Area Problems Committee of the National Association of Manufacturers, the Government Agency Conference Group and the Colorado Association of Commerce and Industry.
Meritorious Service Award Presented to GEORGE EDWARD RUSH

Dr. Rush has been a member of the Society since 1950 and was elected President for the 1968-69 Biennium. He has previously served as Chairman of the Genetics and Variety Improvement Section and as General Program Chairman. Dr. Rush was born in Vancouver, B.C., Canada and obtained his BSA and MSA degrees from the University of British Columbia. He was awarded the Doctor of Philosophy degree in Genetics and Agronomy with a minor in Plant Pathology by the University of Wisconsin in 1950. He was employed that year by the Amalgamated Sugar Company in Ogden, Utah as Plant Breeder. He worked with Drs. F. V. Owen, H. Savitsky and V. Savitsky on the development of curly-top resistant monogerm hybrids. In 1954 he was moved to Nyssa, Oregon to establish his company's breeding station and agricultural research program as Chief Plant Breeder. In 1963 he returned to Ogden as Director of Agricultural Research and Manager of Seed Operations. Presently he is in private business. He devoted his interests to the production of sugarbeet hybrids, factors affecting quality, beet storage problems, seed processing and precision planting. George served as Director and President of the Beet Sugar Development Foundation, Director of the Western Seed Production Corporation and as a member of or advisor to several industry-government research advisory groups.
Meritorious Service Award Presented to R. RALPH WOOD

Mr. Wood is a 30-year plus member of the ASSBT, has served as General Program Chairman, been a member of the Publications Committee, served on the Advisory Council and as a member of the Board of Directors. He has authored or co-authored numerous papers on sugarbeet research and production which have contributed to our meetings. Born in Kansas, he moved to Colorado where he attended high school, then Colorado Agriculture and Mechanical College (now CSU) from which he received a B.S. degree in 1941. From 1936-42 he was an agent with USDA Sugar Plants Research at Fort Collins whereupon he became Associate Agronomist with The Great Western Sugar Company at Billings, Montana from 1942-49. He was moved to Longmont, Colorado in 1949 as Research Agronomist of the Agricultural Experiment Station and became manager of the station in 1961. In 1968 he was promoted to his present position as Director of Agricultural Services for GW in its Denver office. Ralph was a member of the Sugar Beet Round Table which later formed the ASSBT, is a Director of the Beet Sugar Development Foundation, a member of Sigma Xi, American Association for the Advancement of Science, Sigma Chi Social Fraternity and the Benevolent and Protective Order of Elks.
HONORARY MEMBERSHIP AWARDS

Harvey E. Brewbaker, Longmont, Colorado
Charles F. Cormany, Sheridan, Wyoming
Phillip B. Smith, Denver, Colorado

FORTY YEAR VETERAN AWARDS

C. W. Bennett, U. S. Department of Agriculture
W. W. Blankenbach, British Columbia Sugar Company
Jesse M. Day, Utah-Idaho Sugar Company
E. W. Edwards, Utah-Idaho Sugar Company
J. M. Fife, U. S. Department of Agriculture
John O. Gaskill, U. S. Department of Agriculture
Helen K. Savitsky, U. S. Department of Agriculture
Boyd D. Webb, Utah-Idaho Sugar Company
Francis A. Wood, The Great Western Sugar Company
